THE COURSE

Back again is the long course around swan lake for groups starting before 1pm. It's approximately 3.1 km long and features 2 hairpin (> 90 degrees) corners. Races starting after 1pm run on the traditional, technical short-course of 1.2 km, with the 120 degree corner and two tight circles. Both courses finish on the hardest false flat stretch in Colorado. See map <http://bit.ly/cuKEoL>
